

Their door is shut Ours is open

Knowing what signs of abuse to look out for will help to keep our children safe.

If you've noticed ANY of these, you need to tell us:

- aggressive or repeated shouting
- hearing hitting or things being broken
- children crying for long periods of time
- very young children left alone or outdoors by themselves
- children looking dirty or not changing their clothes
- children being withdrawn or anxious

Whether you're a relative, a neighbour or an adult passing by, if you see something that isn't right, we need to check things.
